

Teal Big Sink®

The most versatile portable sink ever.

- Hot and cold running water
- For building site Welfare
- Outside Catering
- Food Preparation
- Utensil wash
- Arm washing

The Best Hot
Water Hand Wash
in the World

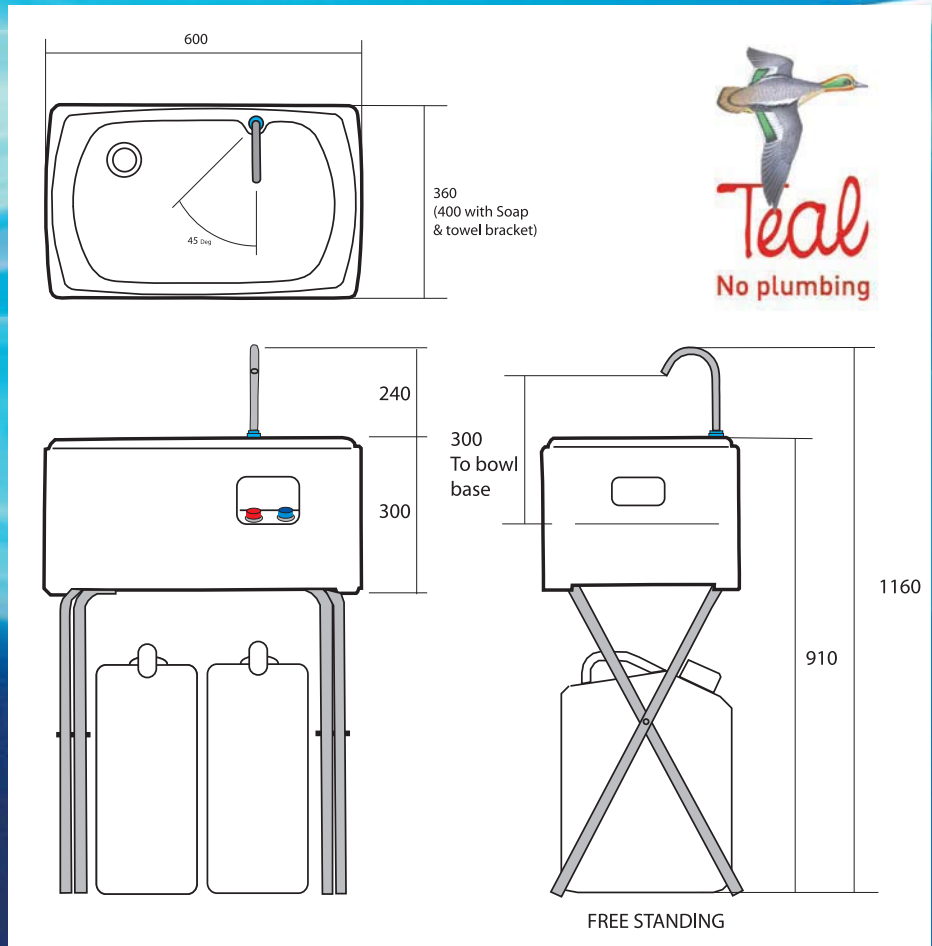

Just needing a 10 amp 230V socket for operation, the Big Sink® BS230 is completely self-contained with the waste water secured in a separate cleanable container.

Big Sink® can be used on a table or counter top and is delivered complete with a collapsible stand and 2 off 25litre water containers. The unique TEAL low pressure spray ensures effective water use** and ideal hand coverage with no splashing.

- Hot and cold water
- Red nudge button for an ideal 10 SE COND hot wash
- Instantaneously heated hot water – approx. 40°C
- Enjoy up to 125 ten second hot washes per filling
- Blue On/Off button for cold/ambient water
- Unique TEAL spray head gives ideal water coverage
- Nothing to adjust – factory set and tested
- Light weight and uniquely portable.

Pivoting swan neck tap removable for packing.

Hygiene assured by use of the simple disinfection routine.
